Usage Policy

Arena members must not use this www.arenaebooks.com site and or any other Able Limited Editions site for any illegal or unlawful purpose whatsoever or in any illegal or unlawful way whatsoever. That includes in any illegitimate or harrassing manner towards any other member or Able Limited Editions.

That also includes by installing and or causing any virus, trojan, spyware, spambot, etc to be installed on and or via any Able Limited Editions site via any Able Limited Editions Contact Form, email, Blogg or Forum. And that also includes by sending or causing to send any Spam to and or via any Able Limited Editions site.

Any member found by Able Limited Editions doing any of the above or to have done any of the above may have their Arena membership suspended and or terminated without any notice at the sole discretion of Able Limited Editions.

The strictly confidential procedures for reporting any above noted behaviour of any member to Able Limited Editions will only be available via the Contact Us page/s in the password protected Arena. No other means of reporting any such abuse will be acceptable to Able Limited Editions.

Procedures for appealing against any Able Limited Editions decision to suspend and or terminate any membership will also only be available via the password protected Arena. Able Limited Editions therefore hereby strongly advise all members to take careful note of the appeal procedures as soon as possible after becoming an Arena member. No other means of appeal will be acceptable to Able Limited Editions.

In the context of fair usage: each member is solely responsible for any existing fair usage policy/terms & conditions laid down by their service provider re downloading etc. Able Limited Editions will not be laible in any way whatsoever for any member abusing or misusing any such fair usage policy, term, or condition. Able Limited Editions therefore hereby advise all members not to try to download all free ebooks etc in one session, or in several sessions within any one such fair usage accounting period (usually one month), if doing so may result in them abusing their respective fair usage allowance (bandwidth).

In a similar context (fair usage), although Able Limited Editions do not express any limit to the amount of copies of any free ebook etc any member may download, all members are hereby notified that downloading from the password protected Arena will be monitored. That is for several reasons; but mainly in an attempt to prevent abuse of fair usage, as well as piracy. And yes. Such may appear to be extreme. But the law is the law and any honest writing is an unforgiving profession.
